TELL US IN ADVANCE ABOUT YOUR FLIGHT

Students must inform the school of the details of their arrival in Valencia, (day, time, flight number and mobile phone of the student), at least one week in advance. This information is very important so that we can organize your arrival at the accommodation and/or the airport pick-up service in case it has been hired.

Students must arrive at the accommodation on Sunday before the start of the course and before 20:00h. In case of arrival after 20:00h the student will need to hire the airport service pickup.

If you do not provide us with your arrival details by the Wednesday before your arrival date, we cannot guarantee your entry into the accommodation.

If you have not booked accommodation yet and want us to do it for you, contact us as soon as possible at: info@taronjaschool.com

YOUR LEVEL TEST

In order to organize your course and assign yourself a suitable group, it is very important that you take a level test before coming. The test consists of a written and an oral part, and **we need to have it at least 3-4 weeks before you start**. Even if you are a beginner we need you to do it. If you can't answer everything leave the answers blank, for us it is useful too!

With this system we prevent you from wasting time on the first day and you can start your lessons directly.

This test is for internal use only, results will not be sent to you. Without this test, we cannot guarantee a place in a class at a suitable level for you.

You have to do the online level test by entering **LEVEL TEST**.

COURSE SCHEDULE

Taronja school has a schedule system in ZIG-ZAG. This means that some groups will have classes on Mondays / Wednesdays / Fridays in the morning, and Tuesdays / Thursdays in the afternoon (T1 shift), while the rest of the groups will have them the other way (T2 shifts).

The important thing every week is to make sure if you are on T1 or T2 shift.

YOUR FIRST DAY AT SCHOOL

On the first day, students who come to school for the first time may be a little nervous. Everything is new. You are in a foreign city, with different customs, etc. It is very important to keep calm. You are here to learn and, most importantly, to have a great time. And we are sure that it will be so! Therefore, take a deep breath, relax and let the day begin with everything new that is to come. If you have any problem with your accommodation, your lessons, etc., do not hesitate to come to the reception to ask, any member of Taronja will help you. We will try to solve your problems in the fastest and most efficient way.

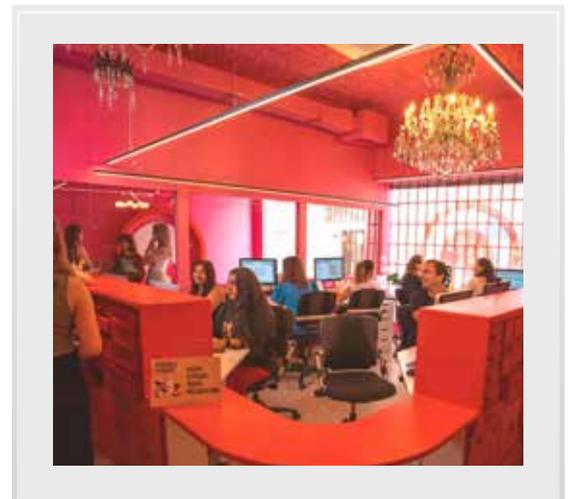

Welcome meeting:

On your first Monday, a welcome meeting takes place. Here we will explain several very important things for your stay in Taronja. We absolutely recommend you to attend this meeting. Meeting times are:

- **Shift T1 (morning shift): 8:30 am**
- **Shift T2 (afternoon shift): 2:00 pm**

Do not forget to bring your passport/identity card to the school on the first day. You will have to bring it to the reception office.

Remember to bring a pen and paper, we will provide you with the rest of the material.

STUDENT CARD

Send us your photo by email and we will prepare your Taronja student card. Use the student card to get discounts at some museums, cinemas, shops, etc. You can also use it as personal identification, instead of carrying your passport with you (we recommend always leaving your original documentation in your accommodation).

CULTURAL ACTIVITIES

Our school is universally famous for the incredible activities it organizes. We believe that the best way to make your experience unforgettable is to meet all the people in the school, and this is achieved through attractive, affordable and well organized activities. Remember that Taronja is much more than a Spanish school.

To fully understand our sociocultural program, do not forget to read carefully the file "**Info Activities**".
